

# HOW TO GET NEW MEMBERS

As a key clubber I'm sure you're always looking for new members....new people to bring the light of helping others to your community. Here are some ways that might help you bring the light.

1. Set up a booth at you're school's open house. I would suggest creating a board with some pictures of fun events you held. This way, people passing by can see all the fun you have while helping others. Also create a flyer with a small description of Key Club, what time and day your club meets each week, and when your next meeting will be.
2. Setup a table at lunch with a display like the one described above.
3. You can have a meeting where if your members bring a friend they can have their name put in a raffle. Ideas for the raffle:
  - a) \$10 gift card
  - b) Key Club T-Shirt
  - c) a batch of cookies
4. Everybody likes food. Hold a potluck at one of your meetings and invite others to come and join the fun!
